April 2025 | [www.rtechgroup.co.in](http://www.rtechgroup.co.in)

April unfolds with a spirit of renewal, fresh possibilities, and inspired achievements at R-Tech Group. This month, we embrace the energy of transformation, driving forward with dynamic projects, innovative spaces, and an unwavering dedication to excellence. Our focus remains firmly on shaping environments that foster growth, connection, and elevated living experiences.

**"Innovation today, inspiration for tomorrow."**

At R-Tech Group, every endeavor is a reflection of our passion for creating vibrant communities and iconic landmarks. With each project milestone, we build not just structures, but experiences that enhance lives and empower futures. As we step into April, we continue our journey of purposeful expansion, creative innovation, and a steadfast commitment to delivering excellence in every square foot.

At R-Tech Group, our developments go beyond construction — they represent a vision for a better tomorrow. We blend thoughtful design, cutting-edge technology, and sustainable practices to craft spaces that serve evolving urban lifestyles.

From premium commercial destinations to thoughtfully planned residential complexes, we are proud to offer environments that promote success, comfort, and connectivity. Guided by trust, transparency, and a customer-centric approach, we are determined to set new standards and deliver projects that are a true testament to quality and vision.

## The news

We are excited to announce the commencement of construction work for exquisite villas at our premier townships, Palmera Garden and Samridhi Residency. Designed to blend luxury with comfort, these villas will offer a perfect balance of modern living and serene surroundings. With a focus on superior craftsmanship and thoughtful planning, we are set to create exceptional homes that redefine township living.

## Our Vision

At R-Tech Group, our vision is to shape the future of urban landscapes with innovative, sustainable, and inspiring real estate solutions. We strive to create spaces where businesses thrive, families flourish, and communities come together — always with an eye toward quality, progress, and lasting impact.

# Admin Talks

**Mr. Rajesh Yadav**

Managing Director

"The real estate landscape is evolving rapidly, with increasing emphasis on sustainable living, smart infrastructure, and integrated communities. At R-Tech Group, we are focused on delivering projects that not only meet these expectations but also set new benchmarks in quality and innovation. As we move forward, our commitment remains anchored in timely delivery, strategic growth, and creating long-term value for our customers and investors."

**Mr. Achal Agarwal**

Executive Director

"The momentum in commercial real estate continues to grow, with greater demand for flexible retail formats and experience-driven spaces. At R-Tech Group, we are capitalizing on this trend by expanding our leasing portfolio across key properties like Capital Highstreet, Capital Galleria, and Emporio. Our strong brand partnerships and increasing visitor engagement are paving the way for robust performance in the coming months."

**Mr. Deepak Pareek**

CFO

"The market's positive sentiment towards commercial real estate, combined with a shift towards asset-backed investments, provides us with significant growth opportunities. Financial prudence, optimized leasing strategies, and sustainable asset management remain at the core of our approach. Our focus on launching innovative investment models, including pre-leased commercial assets, aims to deliver enhanced value to all our stakeholders."

**Kritika Yadav**

VP-Admin & Operations

"The demand for premium commercial and retail spaces continues to surge, driven by brands seeking strategic locations and growth-oriented environments. At R-Tech Group, we are witnessing a steady increase in leasing inquiries and successful brand expansions across our projects. The recent openings and rising occupancy levels at Capital Galleria, Capital Highstreet, and Emporio highlight our position as a preferred real estate partner for leading businesses."
