September brought a blend of festivities, new milestones, and forward momentum. At R-Tech Group, the month reflected steady progress, stronger community engagement, and achievements across projects — all aligned with our vision of delivering excellence in every space we create.

*Crafting Tomorrow's Marketplaces Today*

From new retail fit-outs and handovers to celebrations that honored tradition and unity, September 2025 was about balance — between progress and purpose. At R-Tech Group, we continue to transform every square foot into something meaningful, sustainable, and impactful.

September was a month of togetherness, culture, and growth. Our spaces came alive with vibrant festivities and meaningful engagement, reminding us that communities are built not just with bricks, but with bonds.

With new brands preparing to join our portfolio and projects steadily moving forward, September proved to be another step in shaping spaces where culture and commerce thrive side by side.

## The News

September was marked by new openings, property expos, and steady fit-outs across Jaipur, Bhilwara, Bhiwadi, and Alwar, reflecting R-Tech's momentum across regions. From global brands to community-driven events, every milestone reinforced our vision of building spaces that power growth and progress.

## Our Vision

We believe that growth is most meaningful when it blends innovation with inclusivity. By creating spaces that welcome global names and celebrate local traditions, we aim to deliver environments where progress is shared, pride is collective, and every visitor feels a sense of belonging.
