May 2026 | www.rtechgroup.co.in

May carried the momentum of disciplined execution further across the R-Tech Group, with a sharper focus on delivery, leasing velocity and project readiness. New stores opened their doors, construction advanced at key sites, and teams sustained tight coordination between operations, finance and on-ground execution — translating structured processes into visible, on-schedule outcomes across every location.

Momentum with discipline — turning plans into delivered milestones.

May Highlights:

- * New store openings across Jaipur, Bhiwadi, Alwar and Beawar
- * Structural progress at Bhilwara with second-floor casting underway
- * Continued focus on leasing, tenant experience and timely possession

May reflected steady, delivery-led progress, with multiple retail openings and active fit-outs signalling strong leasing momentum across developments. Operations, projects and site teams stayed closely aligned to keep construction milestones, handovers and store launches on track, while maintaining responsiveness and quality at every site.

Looking Ahead – May & Beyond

- * Completion of ongoing fit-outs and new store launches across malls
- * Progress on the upcoming commercial development on Ajmer Road
- * Continued structural progress at Capital Galleria, Bhilwara
- * Sustained focus on leasing, tenant experience and timely possession

The News

May sustained strong leasing momentum, with new brands opening across Jaipur, Bhiwadi, Alwar and Beawar and major fit-outs progressing at Bikaner. The widening retail and entertainment mix reflects growing market confidence in R-Tech developments and continues to strengthen their standing as preferred shopping and business destinations.

Our Vision

May reinforced R-Tech's commitment to disciplined delivery and long-term value creation. With new launches, active construction and an expanding portfolio across Rajasthan, the organisation remains focused on building destinations that combine strong execution, vibrant tenant ecosystems and a consistent, customer-first experience.

Events this month

Events:

Through May, teams across sites maintained close day-to-day coordination, with engagement focused on smooth store launches, fit-outs and on-ground execution. Informal interactions and site visits continued to strengthen cross-functional connections and a positive, delivery-driven work culture.

Admin Talks

Mr. Rajesh Yadav

Managing Director

"May was a month of visible delivery, with new store openings across our developments and steady construction progress at key sites. The focus remained on converting structured planning into on-ground results — timely launches, active leasing and disciplined execution. Moving ahead, our priority is to sustain this momentum while building a scalable foundation for the projects in our pipeline."

Mr. Achal Agarwal

Executive Director

"May saw consistent activity across all sites, from new store handovers to advancing fit-outs and structural work. Close coordination between site and leasing teams ensured smooth launches and minimal disruption, while ongoing supervision kept construction milestones — including the casting at Bhilwara — firmly on track."

Mr. Deepak Pareek

CFO

"May maintained a strong focus on financial discipline, with careful tracking of project costs, leasing inflows and timely reconciliations. As new revenue-generating stores came online, the emphasis stayed on accurate reporting and transparency, supporting sound decision-making and long-term financial stability."

Kritika Yadav

VP-Admin & Operations

"May highlighted the value of coordination and timely execution across functions. With multiple openings and fit-outs in progress, the focus stayed on clear communication, proactive issue resolution and smooth day-to-day operations. Strong alignment between teams kept activities on schedule."
