Managing Director

June closed the first half of 2026 on a strong footing, with possessions advancing at key developments and steady delivery across our portfolio. The focus remained on converting stability into results — timely handovers, disciplined operations and consistent execution at every site. Moving into the second half, our priority is to accelerate this momentum while building a scalable foundation for the growth planned ahead.

Mr. Achal Agarwal

Executive Director

June saw consistent activity across all sites, from possessions at Beawar and Bikaner to advancing fit-outs and structural work at Bhilwara. Close coordination between site and leasing teams ensured smooth handovers and minimal disruption, while monsoon preparedness and ongoing supervision kept every construction milestone firmly on track.

Mr. Deepak Pareek

CFO

June centred on the mid-year financial review, with careful tracking of project costs, leasing inflows and timely reconciliations across entities. As handovers progressed and new stores came online, the emphasis stayed on accurate reporting, cost control and transparency — strengthening the financial discipline that supports sound decision-making and long-term stability.
