August 2026 | www.rtechgroup.co.in

August at R-Tech Group carried the spirit of the season — a month where celebration and progress moved hand in hand. As Teej and Raksha Bandhan filled our properties with colour and footfall, our teams kept the momentum going behind the scenes: new brands opened their doors across Jaipur, fit-outs advanced in Bhiwadi, and structural work climbed higher in Bhilwara. Every opening, every milestone this month is a reminder of what we build for — spaces where commerce and community come together.

August is a month when Rajasthan comes alive — and so did our properties. The festive calendar brought vibrant Teej and Rakhi celebrations to our malls and highstreets, drawing families, shoppers, and communities into our spaces in large numbers. For us, festivals are more than events; they are proof of the role our developments play in the everyday life of the cities we serve.

LOOKING AHEAD – AUGUST & BEYOND

- Continued structural progress at Capital Galleria Bhilwara following second-floor casting

The news

The festive mood of August translated directly into business energy. Teej and Raksha Bandhan celebrations across our properties saw enthusiastic participation from tenants, staff, and visitors alike — with decorated atriums, cultural activities, and strong weekend footfall setting the tone for the season ahead. On the leasing front, the month delivered a healthy mix of openings.

Our Vision

At R-Tech Group, we believe growth is measured not just in square feet, but in the life our spaces hold. A restaurant serving its first thali, an office team settling into a new workspace, a family celebrating Teej under our roof — these moments are why we build. As we move deeper into the year, our commitment remains the same: to develop commercial destinations across Rajasthan that businesses trust, communities embrace, and cities are proud of.

Admin Talks

Mr. Rajesh Yadav

Managing Director

"August showed what R-Tech stands for — celebration and construction moving together. New brands opened their doors, new floors rose at our sites, and our properties stood at the heart of the festive season. As we head into the Diwali quarter, our direction is clear: keep building destinations that Rajasthan's businesses and families choose first."

Mr. Achal Agarwal

Executive Director

"On the ground, August was about handovers and milestones. Second-floor casting at Bhilwara began on schedule, fit-outs in Jaipur and Bhiwadi moved to completion, and every new store opening reflected the coordination between our site, leasing, and facilities teams. Execution discipline is what turns leasing commitments into open shutters."

Kritika Yadav

VP-Admin & Operations

"Festivals test our operations — and our teams delivered. From Teej and Rakhi arrangements across properties to supporting new tenants through their opening days, August was about seamless coordination behind every celebration and every launch. Our people made the month look effortless."
